Contribution Rates 2023

In May 2022, at the request of the Board of Trustees of the LOB Guarantee Fund, the Occupational Pension Supervisory Commission (OPSC) approved the contribution rates for the assessment year 2023 as follows:

Contribution rate	Task
0.12%	to provide subsidy payments if the age structure is unfavourable, based on the wage sums coordinated pro rata in compliance with the Occupational Benefits Act
0.002%	to provide insolvency and other payments based on the leaving benefits stipulated by regulation for all insured persons in active employment and for pension benefits from the operating account multiplied by 10

The contributions for the year 2023 will be due for payment on 30 June 2024.
